title
Misaligned statistic information

content
The statistic info in README.md is not aligned with the actual data file. There are 190 stories rather than 194 stories; 99 "Yes" rather than 100 "Yes"; 91 "No" rather than 94 "No".

involved
task.json   readme.md   ....

Hints Writer

① Mismatched quantitative information

② Mismatched quantitative information in README.md and data file

③ Quantitative discrepancies between README.md and task.json, specifically in the counts of stories, 'Yes' answers, and 'No' answers"
